Meet G|DRIVE™ mobile

Portable FireWire™/USB Drive for Apple MacBook® Pro

G-DRIVE mobile hard drives are the perfect companion to your new Apple MacBook® Pro. Lightweight, stylish and featuring high-speed FireWire™ 800, FireWire™ 400* and USB 2.0, G-DRIVE mobile is the perfect storage companion. G-DRIVE mobile is bus-powered through the USB 2.0 or FireWire 800 ports so carrying around a power adapter is not necessary. With up to 500GB of Hitachi disk drive storage space for your important documents, MP3s, digital video, and digital photo files, G-DRIVE mobile is perfect for carrying all your digital content. G-DRIVE mobile also features an all-aluminum base for ruggedness and heat dissipation without the need of a noisy fan.
